Palm City FL 34990 • (772) 283-5646

Mouse Tales  
Newsletter

February 2010 • Vol. 23 - 2

## MEETING

### Thursday Feb. 18

#### 5:00 P.M. "Here To Help"

Bring your laptop (or just yourself) and enjoy a format with Beginners tables throughout the room -

- Basic Help
- Email
- It Doesn't Work
- iPhoto
- Internet

#### 6:00 P.M. "Pages - Part 2"

Carol Vertesch will be continuing her exploration of Pages and the many things that can be done with this program since she barely scratched the surface of last month. Brochures, cards, flyers... stay tuned for more!

#### 7:00 P.M.

#### "The Latest from Apple: iPad"

Mark Weinberg will give an overview of this hot new item: it's uses and features which might entice you!

#### "MagicJack"

We will have tickets available to **win a MagicJack!** Bill Farrell will demonstrate how to setup and plug into any household phone and your computer for local and long distance savings!

<http://www.magicjack.com/6/index.asp>

- 
- Early front page edition •
  - <http://www.tcmug.net>

**MISSION:** *The TCMUG exists to benefit users of Apple computers by creating a network of members to share information and offer support in the ever changing world of computer technology.*

---

### Clean Desktops

Want a squeaky clean desktop? No icons at all? Just a blank screen except for the dock. Check out Desktop Curtain from <http://manytricks.com/desktopcurtain/>

Works for me with both Leopard and Tiger. Just right click on your desktop to pop-up a window allowing you to quit Desktop Curtain and get your messy desktop back.

~ Tom Garcia
