MEETING

Wed. August 20

6:00 P.M. “Mac Mail”

Beginner’s Special Interest Group (SIG).
Carol will focus on Mac Mail and all its capabilities. She will show how to setup and check your various mail accounts, how to deal with spam, how to use mac stationary and many other tricks and techniques to make your email experience more productive.

7:00 P.M. “How Mail Works”

As a follow-on to the Beginner’s program, our “Genius Panel”, will show how email works and explain why you may have problems opening some emails you receive from PC friends. In addition they will address wireless and Airport issues and problems some have had with the new MobileMe. Remember you can always email questions to Chris and she will forward them to our Genius Panel. See you Wednesday.

7:00 P.M.

“CANCELLED - New iPhoto SIG”

Dick Lewis will be out of town and had to cancel tonight's session.

iChat Buddy Capability

To find out what capabilities your iChat Buddies have, click on their name in the Buddy List. Now “Get Info” (Command/I) on the name. Their iChat capabilities will appear at the bottom of their Info window.
