

Death to robocalls

A love story

Mark Weinberg

Treasure Coast Macintosh Users Group

April 21, 2016

**Almost 20 percent of U.S.
phone calls are robocalls**

[donotcall.gov](https://www.donotcall.gov)

Robocalls are scams

Try Nomorobo

nomorobo.com is free

Voice Over IP: “VOIP”
You probably have this
Check with your internet provider

AT&T-Uverse and Comcast-Xfinity
are supported by Nomorobo

**Nomorobo: Instant relief,
but there's a learning curve**

Set voicemail so your phone rings several times before voicemail answers

**More than 77 million
robocalls killed so far**

[ftc.gov/robocalls](https://www.ftc.gov/robocalls)

[consumersunion.org/end-robocalls](https://www.consumersunion.org/end-robocalls)

Type “stop robocalls” into
your internet search engine
